Hi Dave,

I was just wondering about the status of your meeting with Nina. Will she go for a 4b approach? How does she feel about missed deadlines? Other?

Jayne - I know I said I'd do a Friday if that was the only day available...but I didn't hear back on a set date and was out last week on AL...and I scheduled a weekend fishing trip for that 3-day weekend. While I'm deeply engaged in the Forestry piece of CZARA there two other key pieces (OSDS and New Developments) that are more of an HQ call. I'd recommend going ahead and meeting without me. There is a slim possibility that I could call in from the Columbia River but its really slim.

Subject: Rescheduling OR CZARA Call

Don:

I spoke with Gene yesterday about the timing for rescheduling the meeting. He suggested mid-July so we can review the product due at the end June as well as the document in which Don provided the link.

I planned to send out a doodle poll but while I have all of your attention, can you tell me when you are NOT available in the 2nd and 3rd weeks of July?

According to Gene, he and Neil are available:

July 12 at 1 PM (4 PM DC)  
July 12 at 1 PM (4 PM DC)  
July 15 at 1 PM (4 PM DC)  
July 22 at 10, 11, 1 (1, 3 and 4 PM)

Jayne,

In related news, where are we with regard to rescheduling our call with Oregon that was originally scheduled to happen right about now? I knew 3 key Oregon people couldn't make this time, but have not seen any doodle polls about a reschedule. (I will be out the week of July 4th.)

Hi All:

Gene Foster keeps promising to send the link but I still have not received it. I too would like to review it. Please pass it on when you receive it.

Thanks!

Hi Don--

What the status of sharing the link to the draft TMDL IMD? I look forward to reviewing.
